QUESTION TO THE MINISTER OF BASIC EDUCATION

CHERYLLYN DUDLEY MP (ACDP)

08 May 2013

Mrs Dudley to ask the Minister of Basic Education:

With reference to my previous question and the departments response to question 2521 of September 2012, who has the Department contacted during their "*extensive consultation process*"

Have they contacted the elected representatives of the organised home-schooling community,

If so who and when?
